PROPOSALS FOR GRADING AND YURNISH-ING TUBER.

THE UNDERSIGNED will receive proposals I until the 20th inst for the graduation of all or of any part, not less than one mile, of the Washington and Rockville Turnpike from the city boundary to the District line. Also, for furnishing and delivering at such points on the above-mentioned line of road, in such quantities and at such time as may be required, all or any specified portion, not less than 100,000 feet, of 750,000 feet, board measure of 4-inch plank, of which 600,000 feet shall be in lengths of 8 feet and widths of 9 to 15 inches, and 158,000 feet shall be 12 inches wide, and in lengths of from 13 to 18 feet. The graduation will be done under the direction of the engineer of the company, will be paid for by the cubic yard, and will be measured as excavation only.

A profile of the road may be seen at our Hanking House, which indicates very nearly the proposed graduation, but from which the company will reserve the right of making such deviations as in the judgment of the engineer may be expedient.

The plank must be sound and free from sap. Bidders will state the price per M. for white oak, and for Chesapeake bay pine, and will discriminate between the 600,000 and the 150,000 feet described above, as the latter may, if the company see fit, be dispensed with.

WONDERFUL DISCOVERY!

All must admit there never has been given such a mass of genuine testimony in favor of any other medicine. Give it a trial! It cures when all other remodies have failed. Greater weight of testimony cannot be given—from the first men in this country.

Greater weight of testimony comnot be given—from the first men in this country.

Baltimore, Sept. 18, 1851.

Gentlemen: After a full and satisfactory trial of the medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general prostration of my system, the result of taking three bottles of this wonderful compound has, I am pleased to say, resulted in a restoration of strength, a keen appetite, and an activity of body which I have not enjoyed for a long time. So satisfied am I of the virtues of this medicine, that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have stamped the injuliability of the Tincture. In my own case, I am satisfied that your advice to me to give it a trial has, under the blessing of a kind Providence, resulted in a restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

MORE HOME TESTIMONY.—NONE NEED DESPAIR.
TRY IT AND BE CURED.—WONDERFUL AND PERMANENT CURE OF DYSPEPSIA.

BALTIMORE, Sept. 13, 1851.

Messrs. Mortimer & Mowbray.—Gentlemen: This is to
certify that in the year 1843 I was attacked with a neryous affection, in consequence of Dyspepsia or Indigesion, which continued some eighteen months, during
which time my sufferings were intense, both of body and
mind. I tried every thing I could think or hear of, (as
there was much sympathy for me,) and at length all efforts failed to cure me. I became much weakened, and
could walk but a very short distance at a time, and was
often in the act of falling upon the parement, (I would
stop in some door or alley to prevent it,) in consequence
of frequent palpitations; and, from what I could learn,
I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage
of my disorder I could neither eat, sleep or walk with any
satisfaction to myself. Life seemed to be a burden to
me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture,
and made trial of it. I had but taken the first dose when
I felt a change for the better, and hope immediately
sprang up. I continued, with the use of this invaluable
fincture, to improve daily, until I had taken the contents
of three bottlex, which, under Divine Providence, made a
perfect cure of me.

I found I had an excellent appetite, and could partake

of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good health, and have done so for the last six years; and would say to all afflicted as I have been to east aside your prejudices, and try Hampton's Vegetable Tincture. Any incommation beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M. OLDHAM, Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY

SUCII A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTIMORE, Sep. 18, 1851.

Mesers. Mortimer & Mowbray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottles of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost umpresedented. His case of extremely excruciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persuasion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miraculous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully,

JAMES P. MERRITT,

187 Ballimore street.

JAMES BOOTH, Profr. of Chemistry,
applied to Arts, Franklin Institute,
No. 73 Chambers st., New York, Aug. 22, 1851.

I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it. I find it free not only from any thing injurious to health, but, on the contrary, the ingredients of which it is composed are perfectly wholesome.

JAMES R. CHILTON, M. D., Chemist,
York, Penna, Aug. 4, 1851.

Messrs. Hummel, Bohler & Co.—Gentlemen: We take
pleasure in recommending your "Essence of Coffee" as a very superior article; it is extensively used in our county;
we have only had it one year, and have sold over 16,000
packages. We believe it to be one of those articles that will remain in constant ase, and the more it becomes known the greater will be the demand for it.

Yours, respectfully, C. A. MORKIS & Ce.
